

Voluntary Termination Request of F-2 SEVIS Record

This form is to request to terminate an F-2 Dependent SEVIS record. To comply with SEVIS reporting requirements, all F-1 visa holders must notify ISS when their F-2 dependents end their visa sponsorship due to: permanently leaving the U.S, or by changing their visa status. F-1 visa holders are required to submit this form prior to their dependent ending University of Utah's visa sponsorship. One form per dependent must be submitted. **This form must be submitted with e-form Request to Remove Dependent form.**

Before submitting this request, please keep the following in mind:

1. Terminating a SEVIS record completely closes the record and is extremely difficult to undo. This may have a direct effect on your F-2's lawful status in the U.S. by causing the dependent to be out of status or be unable to return to the U.S. **If your dependent has not already been approved for a change of status, we strongly recommend that you speak with an immigration attorney before making a final decision to terminate your dependent's SEVIS record.**
2. Should you wish to re-add your dependent as an F-2 to your record once it has been terminated, you will need to submit a dependent request and proof of finances prior to the re-issuance of a dependent I-20.
